1. CALL TO ORDER

Committee Chair T. Mortyo called the meeting to order.

2. APPROVAL OF AGENDA

Motion R. Knechtel and seconded by F. Brudermann
CARRIED

3. ADOPTION OF MINUTES

Motion by M. Richards to adopt the minutes of the previous meeting held November 6th 2006. Seconded by R. Knechtel.
CARRIED

4. NEW STANDARD FOR RESIDENTIAL GROUND CONTACT /
STRUCTURAL

Discussed the proposed standard. The major issues included heat treatment, exclusion of eastern spruce. Also discussed the kiln requirement and visual inspection requirements to ensure that wood is not rotten before it is actually treated.

Motion by P. Morris to submit draft standard as revised to CSA for consideration for inclusion in the new edition of CSA O80. Seconded by D. Rollins.
CARRIED (9-1 Vote)

5. QUALITY ASSURANCE TASK FORCE

Discussed the CSLAB and the progress being made. Another meeting / solution should be reached by September. D. Reekie from CSL indicated his company is ready to proceed and is also assisting CLSAB in development of the program.

6. NATIONAL BUILDING CODES FOR CANADA 2005

M.A Dalkowski delivered an update on the new code requirements for pressure treated wood.

7. COMMENTS FROM MEMBERS

WPC should keep in contact with Canadian Homebuilders Association regarding the marking of treated wood for code.

8. MOTION TO ADJOURN

Motion by L. Prendiville and seconded C. Frohlich to adjourn the meeting.
CARRIED
