1. CALL TO ORDER

Committee Chair T. Moryto called the meeting to order.

2. APPROVAL OF AGENDA

Motion by D. Alexander and seconded by J. Stein.
CARRIED

3. ADOPTION OF MINUTES

Motion by R. Knetchel to adopt the minutes of the previous meeting held April 2nd 2004.
Seconded by C. Baker.
CARRIED

4. CSA STANDARD PROPOSALS FOR NEW PRESERVATIVES

Discussion occurred concerning the current status of new preservative standards. New CSA standards currently completing ballot to be resolved at CSA Meeting.
The committee is still collecting data for use in the development of in-ground standards for the new preservatives.
Suppliers are encouraged to provide data.

5. NEW FIXATION REQUIREMENTS

AWPA has adopted an analytical method for new preservatives. This is not a test.
Term used for new preservatives is “stabilization”.

6. COMMENTS FROM MEMBERS

Discussion regarding the Quality Assurance Program directed to major Canadian Retailers.
Quality Assurance Task Force was formed with C. Wilson as the chair. Committee members include: C. Frohlich, D. Alexander, I. Jones, N. Banks, M.A Dalkowski, B. Delbreuk, T. Seaman, T. Moryto. The task force will work to develop a quality assurance program for the Canadian industry.

7. MOTION TO ADJOURN

Motion by C. Wilson and seconded by R. Stewart to adjourn the meeting.
CARRIED
